

Dear Epiphany,

Epiphany United Methodist Church is pleased to offer you the opportunity, efficiency and convenience to make your contribution through us with the cooperation of Union Savings Bank (the church's bank). This plan allows for Epiphany United Methodist Church, through Union Savings Bank, to automatically deduct from your checking and/or savings account your weekly, bi-weekly or monthly donations. This automatic deduction can be used for both your general offering and the Faith to Move a Mountain donation.

If you are interested in this voluntary contribution option, please complete the section below and return it with a copy of your voided check by the 15th of the month. Epiphany United Methodist Church through Union Savings Bank will begin to automatically withdraw from your account beginning on the 3rd of the month.

If you wish to cancel this option at any time, please provide Epiphany with a 5-day written notification and we will immediately notify Union Savings Bank, in writing, to cease the withdrawals from your account(s).
